LETTER FROM THE PRESIDENT

Hello Fellow Lions,

The Lionistic year is in full swing. We're heading for the beginning of October with a full month of activity behind us. We held our first annual Dinner Meeting/ Family Outing on September 12th at the New England Laborers Center and I believe it was a very successful event. We even received a membership application!

I'd like to thank all the Lions who came together to organize and plan the day especially Lion Mickie, Lion Judy and Lion Roland. We also attended the first District Advisory and Region meetings where our club was honored for its outstanding effort once again.

October promises to be another full month. The Meat Raffles begin again on October 2nd and 16th once again under the leadership of Lion Dee Rivernider. I know we'll turn out in force to support Lion Dee. Senior Breakfasts, headed up by Lion Fran begin again on the 7th. Lion Dave Talvey will be heading up Adopt a Highway on the 16th. The Membership committee will be holding an Invitation Only membership night on the 25th. Lion Trish and Lion Emelie are once again leading our Halloween party in concert with TJ's on the 23rd from 1 to 3.

Finally, Lion Carl Phillipa has submitted his resignation as Club Treasurer. Lion Carl's health problems have made it too difficult for him to continue hold to the high standards that he requires of himself. I would like to thank Lion Carl for the 14 years of service he has given to our club as Treasurer. His enthusiasm and attitude in the face of great hardship have been and will continue to be an inspiration to the club and to me personally. Thank You Carl!

THE ASHLAND LION'S CLUB MEMBERSHIP CORNER

The Membership Committee is dedicated to building a strong team to meet the Club's membership goals.

Your **Membership Team** will encourage all members to approach family members, neighbors, workplace associates, and those attending our fundraisers to join our Club. Let's raise **Awareness about What Lions Do!**

In order to **drive membership** in our Club this year and for years to come, we will have Invitational Meetings Nights throughout the year in casual and comfortable atmospheres, our homes. The first one will be on Monday evening, October 25th in the home of IPP Lion Marsha Bornstein. **These meetings will be by Invitation Only.**

An invitation letter will be sent to potential members in the next week or so. Included in these letters will be an Ashland Lions Club Brochure, information about our Club, and what we do. As a follow-up to the letter these potential members will receive a call from their Sponsor to confirm whether they are interested in attending the Invitational Night and becoming a Lion. These meetings will be informative with hopes of raising awareness within our community.

If you know of someone that needs more information about the club please speak with one of the team members: Chair, Lion Paul Ciccolo, PPG Lion Marsha and Lion Jim Cerutti.

Highlights from the Club's September Activities Include:

First Dinner Meeting/Family Outing

Lion Paul helps with the set up for the meeting.

The Toll Road

Lion's came out in force to play in traffic.

Our mascot was on hand with KL Tony to support this White Cane event.

Hi Lions!

We had a great turnout of Lions to support the toll road. We will announce how much money we raised at our next meeting, but just seeing how many Lions gave up their Saturday morning made me proud to be President of such a selfless and caring club. Of course I was already proud to be President of the best Lions Club around!

Thank You to all the Lions who braved the traffic and especially to Lions Vin (The Underling) Ferraro and Carl (The other Carl) Pucci for doing such a great job running this important fund raiser. Ashland Lions lead the way!!

Quote of the Month

“Every day do something that will inch you closer to a better tomorrow.”

Doug Firebaugh

Halloween Funnies

Why did the vampire go to the orthodontist?
To improve his bite...

What do you get when you cross a vampire and a snowman?
Frostbite...

Why do witches use brooms to fly on?
Because vacuum cleaners are too heavy...

How do witches keep their hair in place while flying?
With scare spray...

Do zombies eat popcorn with their fingers?
No, they eat the fingers separately...

Inspirational Thought

When you are sincere in your consideration for others, in even the most trifling matters, you can bring about a complete change in the world around you.
